

PROMO

90-Day Service Guarantee

Windstream Enterprise continues to invest in our strategic products to deliver a superior CX, and we're standing behind our commitment with a one-of-a-kind guarantee.

This offer applies to:

OfficeSuite UC®

SD-WAN

Security Services:

+ DDoS Mitigation

+ Managed Network Security

+ Secure Remote Access

In the event you are not fully satisfied with the quality of one or more eligible Windstream Enterprise services* within the first ninety (90) days from signature, the impacted eligible service location(s) can be terminated without incurring early termination fees (ETFs). Exclusions apply.

Windstream Enterprise delivers agile networking and communications solutions to small businesses and large enterprises on one of North America's largest fiber optic networks. We work closely with our customers to deliver high-performing, business-building solutions that open new pathways to success such as SD-WAN, UCaaS, CCaaS, Transport and our comprehensive Security portfolio.

Contact your Windstream Enterprise trusted advisor to learn more.

*If the eligible services terminated include Windstream Enterprise-provided network access, such access cannot be terminated without the imposition of ETFs, and will remain in place through the full term. Offer expires December 31, 2018.
