# Summer sizzle “Bundle and Save” promotion

It’s easy to bundle and save this summer. Simply purchase a Windstream Enterprise Resale high-speed Internet circuit along with our DDoS Mitigation Service, and we will provide you with two FREE\* months of DDoS Mitigation protection.

Our DDoS Mitigation Service is a cost-effective Internet protection solution that detects abnormal web traffic and rapidly mitigates distributed denial of service (DDoS) attacks on your customers’ network, systems and applications, without interrupting their Internet service.

Now is the best time to save with Windstream Enterprise Resale’s high-speed Internet and DDoS Mitigation Services.

Act now—offer expires soon!

Contact your Windstream Enterprise Resale account team to take advantage of this sizzling promotion.

## Terms and conditions

\*FREE months applied as a credit on your Windstream Enterprise Resale monthly invoice after two billing cycles completed and invoices have been paid in full by the Resale Partner. Customer must order a new Windstream Enterprise Resale circuit along with DDoS Mitigation service at the same time, 12-month term or greater. FREE months apply per customer location with no limit to the number of service locations.

If one of the services is terminated prior to the completion of the first two billing cycles, the discount (credits) will not be applied. Only available for DDoS

Mitigation proactive protection; not under attack. Other restrictions may apply. Offer expires September 30, 2019.

Subject to exclusions and the terms and conditions of your Windstream Enterprise Resale agreement. Promotional credits apply to your monthly recurring charges only for services covered by this offer. Applicable taxes, surcharges, fees and assessments are excluded, and you will be responsible for payment of such charges and fees.
