

CLOUD CONNECT

Secure, reliable access for free

Cloud Connect

The demand for secure, reliable, dedicated access to cloud services continues to grow as more businesses upgrade to cloud-based solutions to replace their aging on-site IT infrastructure.

Cloud Connect from Windstream Enterprise meets this need by providing highly secure, performance-optimized virtual and dedicated private access to third-party public and private cloud providers.

Talk with your Windstream Enterprise representative for full details.

Sign up for 3 years of Cloud Connect and get your first year free.*

*Minimum 3-year term. Applicable access charges, taxes, fees and surcharges are excluded.
