

SD-WAN CONCIERGE™ & OFFICESUITE UC®

Connect. Control. Collaborate. Up to 5 months free.

Get industry-leading unified communications and network solutions

We're so confident you'll love your SD-WAN Concierge™, OfficeSuite UC® and access connectivity purchase, we'll give you the first few months free.¹

That's right—get your first three months free with a three-year term, and your first five months free with a five-year term.

Required services:

SD-WAN Concierge™

OfficeSuite UC®

Optional services:

Non-TDM Access

Managed Network Security (MNS)

OfficeSuite HD Meeting®, OfficeSuite UC® Contact Center as a Service (CCS) and OfficeSuite® Fax (when purchased with OfficeSuite UC®)

UCaaS and SD-WAN combine for superior reliability and quality of service

SD-WAN: Optimize and transform your network

SD-WAN Concierge™ combines the intelligent, dynamic traffic routing of SD-WAN with consulting and professional services to help you create a customized hybrid WAN solution that utilizes the best available access connectivity options.

OfficeSuite UC®: Easy to deploy; even easier to use

A 100% cloud-based phone, mobility and unified communications system gives your organization flexibility and resilience. Enable your employees to access their phone features such as calls, chat, video conferencing and SMS/MMS messaging from anywhere on any device via a fully hosted system.

MNS: Keep your critical data safe from cyber threats

MNS is a comprehensive suite of managed security services you can apply to your network to minimize network threats and maximize uptime.

1. Subject to applicable terms and conditions. Applicable access charges, taxes, fees and surcharges are excluded from this guarantee. Customer must purchase SD-WAN Concierge™ and OfficeSuite UC® on a minimum three-year term to qualify for the Connectivity Bonus. If Customer purchases only one of the Required Services, then Customer shall be eligible for 50% of the MRC credits for the service(s) purchased.
