

SD-WAN CONCIERGE™ & OFFICESUITE UC®

Five 9s service availability simply isn't good enough.

Your business can't afford to lose revenue and decrease productivity because your network and unified communications services are down.

Stay connected with industry-leading technology

Simply purchase our SD-WAN Concierge™ and OfficeSuite UC® solutions and if we fail to deliver

100% Uptime,

Windstream Enterprise will credit your account.¹

Required services:

SD-WAN Concierge™

OfficeSuite UC®

UCaaS and SD-WAN combine for superior reliability and quality of service

SD-WAN: Optimize and transform your network

SD-WAN Concierge™ combines the intelligent, dynamic traffic routing of SD-WAN with consulting and professional services to help you create a customized hybrid WAN solution that utilizes the best available access options.

OfficeSuite UC®: Easy to deploy; even easier to use

A 100% cloud-based phone, mobility and unified communications system gives your organization flexibility and resilience. Enable your employees to access their phone features such as calls, chat, video conferencing and SMS text messaging from anywhere on any device via a fully hosted system.

1. Subject to applicable terms and conditions. Customer must purchase both SD-WAN Concierge™ and OfficeSuite UC® on a minimum three-year term to qualify for the 100% Uptime Guarantee.
