

Foster meaningful connections and brand recognition in a secure, virtual environment

Seamlessly communicate personalized messages to a broadened audience with a fully integrated webinar platform from Windstream Enterprise.

Brand promotion

Customize a registration page and send reminder emails with logos and themes

Engagement

Encourage audience conversations through chat, Q&A and live polling

Secure & private

Stay safe with AES 256-bit GCM encryption standards; HIPAA compliance enabled

Reporting & analytics

Simplify your process with registration and attendance reports

In today's remote environment, webinars must offer a rich and alluring experience that captures and keeps your viewers' attention. With OfficeSuite HD Meeting® Webinar, you are the star of the show, not your presentation slides.

Benefits of HD Meeting Webinar:

Support real-time connections for up to 10,000 people without audio and video lag

Enable 25+ presenters to simultaneously share HD audio, video and screen

Easily promote attendees to panelists and inspire audience participation

Leverage a virtual background or company logo for a professional, tailored appearance

Join webinars from any device including desktop, laptop, mobile and conference room connectors

Reach all audiences with accessibility features like closed captioning and keyboard shortcuts

Broaden your reach. Humanize your connections.

OfficeSuite HD Meeting Webinar is different than other solutions because of the incredible quality, reliability and scalability of its live video connection. Seeing the presenters makes a world of difference in building personal connection, engagement and trust.
