

SD-WAN OR SSE & OFFICESUITE UC®

Future-proof your business and your budget.

At a time when everything is increasing in cost and complexity, Windstream Enterprise is offering you future-proof communications and security at a future-proof price.

No surprises.

Simply upgrade your legacy technology to our award-winning OfficeSuite UC® and SD-WAN or Security Service Edge (SSE) solutions and lock in your rates—guaranteed—for the life of your contract.¹

Required services:

SD-WAN or SSE

OfficeSuite UC®

Optional services:

Secure Access Service Edge (SASE)

Managed Network Security (MNS)

OfficeSuite HD Meeting® (when purchased with OfficeSuite UC)

OfficeSuite UC® Contact Center Services (when purchased with OfficeSuite UC)

Combine UCaaS, SD-WAN and SSE for superior reliability, security and quality of service

OfficeSuite UC®: Easy to deploy; even easier to use

A 100% cloud-based phone, mobility and unified communications system gives your organization flexibility and resilience. Enable your employees to access their phone features such as calls, chat, video conferencing and SMS text messaging from anywhere on any device via a fully hosted system.

SD-WAN: Optimize and transform your network

SD-WAN combines intelligent, dynamic traffic routing with consulting and professional services to help you create a customized hybrid WAN solution that utilizes the best available access options.

SSE: Instant security. Seamless network integration.

Cloud-native SSE enables businesses to instantly integrate next-generation security components into existing network environments without disruption.

1. Subject to applicable terms and conditions. Applicable access charges, taxes, fees and surcharges are excluded from this guarantee. Rate Lock Guarantee only applies to the initial service term and any renewal terms; out-of-term services are excluded.
