

SD-WAN CONCIERGE™ & OFFICESUITE UC®

Stay current without the costs.

We make it easy to do business with us

Simply purchase our SD-WAN Concierge™ and OfficeSuite UC® solutions and when the next generation of technology becomes available, you can upgrade at no additional cost.¹ Managed Network Security (MNS) may be included if purchased with SD-WAN.

Required services:

SD-WAN Concierge™

OfficeSuite UC®

Optional service:

Managed Network Security (MNS)

Combine SD-WAN, unified communications and security for superior reliability and quality of service

SD-WAN: Optimize and transform your network

SD-WAN Concierge™ combines the intelligent, dynamic traffic routing of SD-WAN with consulting and professional services to help you create a customized hybrid WAN solution that utilizes the best available access options.

OfficeSuite UC®: Easy to deploy; even easier to use

A 100% cloud-based phone, mobility and unified communications system gives your organization flexibility and resilience. Enable your employees to access their phone features such as calls, chat, video conferencing and SMS text messaging from anywhere on any device via a fully hosted system.

MNS: Keep your critical data safe from cyber threats

MNS is a comprehensive suite of managed security services you can apply to your SD-WAN service to minimize network threats and maximize uptime.

1. Subject to applicable terms and conditions. Customer must purchase both SD-WAN Concierge™ and OfficeSuite UC® on a minimum three-year term to qualify for the Future Technology Guarantee. Managed Network Security may be included if purchased with SD-WAN.
