

International reach, local presence.

Streamline information sharing and team collaboration across an ever-evolving international work environment with our proprietary cloud-based platform.

By 2025, Gartner predicts that global UC spending will grow at a 4.1% CAGR and reach

\$50.8 billion¹

Meet OfficeSuite UC International

OfficeSuite UC® from Windstream Enterprise allows enterprises to establish a local presence in 16 international markets worldwide with secure access to voice, chat, virtual meetings and content sharing.

OfficeSuite UC is available in:

Australia	Italy
Austria	Japan
Belgium	Netherlands
Canada	New Zealand
France	Spain
Germany	Switzerland
Hong Kong	United Kingdom
Ireland	United States

Powering global workforce communications and connectivity

U.S. enterprises with locations across the globe can rely on OfficeSuite UC to provide a seamless, secure communications and collaboration experience with:

Flexible access from any Internet-connected desktop or mobile device, whether or not that device is managed by the enterprise

Global time zone support to foster a work-from-anywhere environment

Free intra-company calling that bundles OfficeSuite UC calls within a company's monthly per seat fee

International direct inward dial numbers to give workers local telephone presence at the international location

Local number portability to allow users to retain their existing phone numbers for use with this solution

Competitive pricing on a per-seat basis

Windstream recognized in the 2019-2022 Gartner® Magic Quadrant™ for Unified Communications as a Service, Worldwide

Leverage an award-winning unified communications platform

Improved productivity

Click-to-call international colleagues via company contact directory

Leverage VoIP chat and messaging to multi-national locations

Easily accelerate from UC to an OfficeSuite Live video call

Easy management

Manage it all via a convenient mobile WE Connect app, with presence indicator to signal availability across time zones

Access extensive self-service capabilities available to end users, complete with help videos and live chat

Benefit from no phone reboots

100% cloud-based reliability, flexibility and security

Control it all from the cloud with rich administrative functionality

Maintain all customer data in fully geo-redundant data centers

Get robust SLAs with high service availability

Encrypt all calls, messages and meetings—end-to-end over the Internet

Cloud-enabled connectivity, communications and security—guaranteed.

Windstream Enterprise drives business transformation through the convergence of our proprietary software solutions and cloud-optimized network to unlock our clients' revenue and profitability potential. Our managed services streamline operations, enhance productivity and elevate the experience of our clients and their end users while securing their critical data and brand reputation. Analysts certify Windstream Enterprise as a market leader for our product innovation, and clients rely on our unrivaled service guarantees and best-in-class management portal. Businesses trust Windstream Enterprise as their single-source for a high-performance network and award-winning suite of connectivity, collaboration and security solutions—delivered by a team of technology experts whose success is directly tied to our clients' complete satisfaction.

Why OfficeSuite UC from Windstream Enterprise

Single pane of glass to manage it all

Our best-in-class WE Connect portal enables an unrivaled digital experience, complete with intuitive desktop and mobile applications for real-time visibility, administrative control and end-user communication tools.

One provider to deliver it all

Ensure higher resiliency and optimized performance by converging UC and contact center services on a Secure Access Service Edge (SASE) framework via a single pane of glass—backed by industry-first service guarantees and a dedicated team of technology experts.

Predictable, budget-able expenses to plan for it all

Consistent monthly fee per seat, combined with included intra-company calling helps defend against international “sticker shock”.
