

Enjoy OfficeSuite Live free for 6 months

Collaborate with anyone, anywhere, via any device in a reliable and secure virtual meeting space

Meet OfficeSuite Live

With OfficeSuite Live, conferences can take place with or without the need for a desktop or mobile app, allowing users to simply host or join via a browser session.

Leverage a secure HD video and audio platform

Securely meet in a virtual environment with end-to-end encryption.

Stay connected to your clients and employees

Host and join video and audio meetings with up to 250 participants via any device. Integrated chat and emojis support non-verbal collaboration.

Gain superior visibility and control

Manage user licenses in real time utilizing our award-winning WE Connect portal.

Special offer through December 31*

- + Unlimited users
- + Stand-alone or available with any other service
- + A minimum 1 year OfficeSuite Live contract required
- + 6 months free as a bill credit
- + Domestic U.S. locations only

Speak with your Windstream Enterprise representative for full details on how to qualify, or visit windstreamenterprise.com to learn more about OfficeSuite Live.

*Windstream service terms and conditions apply. If OfficeSuite Live service is terminated within 1 year of installation, bill credits will be reversed, and you will be charged for the services received. Additional restrictions may apply.
