

# Get up to 5 months free of OfficeSuite UC with SD-WAN

Leverage OfficeSuite UC® with SD-WAN for an unrivaled digital experience.

## Meet OfficeSuite UC with SD-WAN

OfficeSuite UC with SD-WAN from Windstream Enterprise combines a feature-rich, cloud-based Unified Communications as a Service (UCaaS) platform with the reliability of a fully managed networking solution. Together, these solutions offer best-in-class features that take business communications to a new level.

### **Maximum reliability, maximum uptime**

OfficeSuite UC with SD-WAN delivers voice, video and collaboration services designed for superior performance and quality of service for all of your cloud-based applications.

### **More bandwidth at the right price**

Supplement existing connections with cost-effective, highly available broadband, giving you more bandwidth to meet growing demands at a significantly lower cost. SD-WAN also offers visibility and control to prioritize critical apps to take the power of your bandwidth even further.

### **Only from Windstream Enterprise**

Pair OfficeSuite UC with SD-WAN and Secure Access Service Edge (SASE) to deliver enhanced reliability.
