

PROFESSIONAL SERVICES

Simplify your digital transformation with free professional services.

Upgrading your network, security and voice infrastructure can be challenging. Windstream Enterprise makes it easy.

Purchase any one of our strategic solutions—SD-WAN Concierge™, OfficeSuite UC® or Managed Network Security—and we'll match the contract monthly recurring cost (MRC) in credits for free Professional Services¹.

Professional Services include:

Network assessments

Analysis of current LAN/WAN design and recommendations to meet objectives

Guidance on all network-connected CPE and IP phones

Security assessments

Comprehensive evaluation of security readiness and an in-depth review of risks and policies

Installation support

Engineering configuration and design

On-site Smart Hands technician for rack/stack, turnup and testing

Project management of all vendors

1. Requires a minimum MRC of \$5,000 and a 3-year term commitment for qualifying strategic solution(s). Professional Services credits must be used within 12 months of activation of the first location. In the event of an early contract termination, customer will be responsible for the cost of all Professional Services, including repayment of any and all credits that have been applied as a result of this offer.
